

Books for STL Kids Event Grant Application

Event grants are intended for programs and organizations requesting books to be distributed at one-time events. Books will be provided from Books for STL Kids inventory. Recipient groups can specify number of books and age ranges for books but will not be able to select books. Books will be high-quality, brand-new books from Books for STL Kids inventory, and recipient groups must arrange to pick up books. Books for STL Kids board members hope to volunteer for the event, if we are available, to further understand the impact of our grant award.

Event grants are evaluated on a rolling basis. Applications must be received at least 30 days before event date and will be evaluated and awarded within 5-10 business days of receipt. Please submit different applications for multiple events.
